

STATE OF CALIFORNIA
DEPARTMENT OF FISH AND GAME
LAKE OR STREAMBED ALTERATION PROGRAM

**Information Regarding Amendments of
Lake or Streambed Alteration Agreements**

The holder of an agreement ("holder") may request the Department to amend a Lake or Streambed Alteration Agreement ("agreement"), provided the request is submitted to the Department in writing prior to the agreement's expiration. If the request is not submitted prior to the agreement's expiration, the Department will be unable to accept the request. In that case, the holder will need to notify the Department in accordance with Fish and Game Code section 1602 or section 1611 and obtain a new agreement in order to begin or continue the work covered by the expired agreement.

If the holder submits an amendment request prior to the agreement's expiration, the agreement may remain in effect until the Department acts on the request or for one year after the agreement expires, whichever period is shorter. In order to request an amendment, the holder should complete and submit the attached Amendment Request form and the information on the form to the Department regional office that serves the county where the project is located.

For more information on Lake and Streambed Alteration Agreements, see Fish and Game Code section 1600.
